

# No Excuses Mr. Trump

*Many on social media have said they are going to keep an eye on Donald Trumps promises. I saw #noexcusestrump so I decided to create a website so you would not forget what he promised and you can keep score.*

*Mr. Donald J Trump made hundreds of promises to convince about half of those Americans who voted in the 2016 Presidential Election, to vote for him*

*Here you will find a few of them so you can keep score of those promises. Promises like "build a wall on the US Mexico Border," "Deport 11 million people living in the USA without proper authorization"*

*Many will hurt the American Middleclass and the Poor. Feel free to add more - send to [info@noexcusestrump.com](mailto:info@noexcusestrump.com)*

*Will be adding new ones as I can. I am a "one man band." You can too !
